Delta Powerboats 33 Open

DESCRIPTION

Delta 33 open is the follow-up to the successful launch of open day boats from Delta Powerboats. Like the original 26 open, the 33 is designed by Ted Mannerfelt as a responsive and easy-to-handle day cruiser, which in its enlarged version is intended to deliver outstanding experiences in a variety of uses, water sports, recreational cruises and weekend overnights with family and friends. The safe ...
