Description

New for 2022 from the Salpa shipyard, the Avantgarde 1.1 stands out with its bold design, generous volumes, and remarkable versatility. Designed to meet the expectations of discerning boaters, it offers a spacious living area on board, enhanced by numerous cleverly integrated storage solutions. Its sleek style and elegant lines make it a boat as enjoyable to live on as it is to admire. Fully equipped, the Avantgarde 1.1 is designed for comfortable days at sea or extended weekends with complete autonomy. On board, you'll find a functional kitchen, a refrigerator, a full bathroom, and separate toilets, all arranged in an optimized space dedicated to well-being. Each living area is designed to provide comfort, practicality, and aesthetics, whether underway or at anchor. With its 10-meter length and spacious deck layout, this model ensures excellent onboard circulation, allowing easy and safe movement. Its high-performance hull offers impeccable sea-keeping, for a sailing experience that is stable, smooth, and quiet. The Avantgarde 1.1 establishes itself as the perfect companion to explore the coastline with style, freedom, and peace of mind. Available for rent from Bandol or Marseille, this boat offers privileged access to the most beautiful spots along the Mediterranean coast.
